Overview

The Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA) Pay mobile application (app) is an interactive tool to identify the participation status of CHAMPVA medical codes for use by a Veteran's beneficiaries and/or medical providers. The app accepts Current Procedural Terminology (CPT), International Classification of Diseases, Tenth Revision (ICD-10), National Drug Code (NDC), and Durable Medical Equipment (HCPS-DME) codes and returns the reimbursement status.

1

Prerequisites

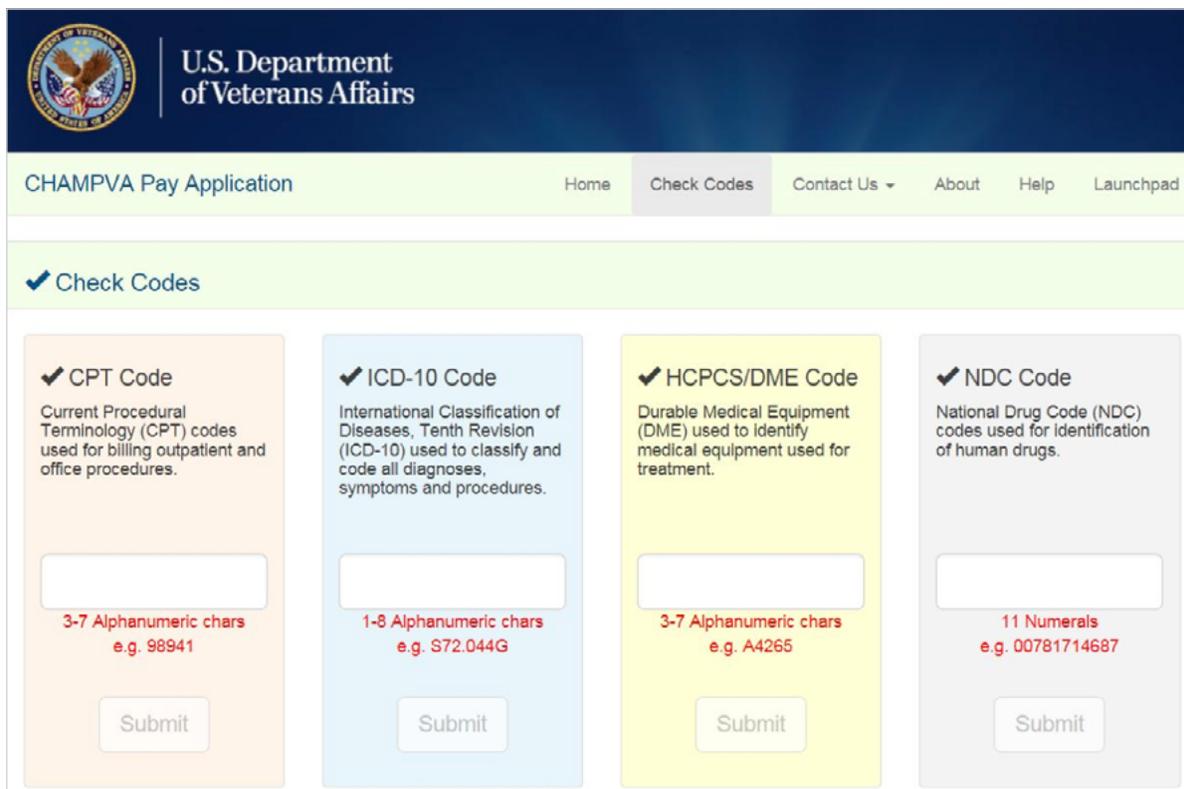

Anyone can access the CHAMPVA Pay App and check on reimbursement statuses.

Checking a Code

From the home screen, tap **Check Codes**. You will go to the Check Codes screen where there are four different categories of medical codes. Type in the code you're checking on in the corresponding blank field.

- CPT Code – Current procedural terminology codes are used for billing outpatient and office procedures. The code must be 3-7 alphanumeric characters (e.g., 98941).
- ICD-10 Code – International classification of diseases. Tenth revision codes are used to classify and code all diagnoses, symptoms and procedures. The code must be 1-8 alphanumeric characters (e.g., S72044G).
- HCPCS/DME Code – Durable medical equipment codes are used to identify medical equipment used for treatment. The code must be 3-7 alphanumeric characters (e.g., A4265).
- NDC Code – National drug codes are used for identification of human drugs. The code must be 11 numerals (e.g., 00781714687).

A green checkmark will appear next to the code when the required syntax is entered. Tap **Submit**. You will go a Checked Code screen, which will show you the type of code, the code you entered and the participation status.

Understanding Participation

There are four options for the participation status:

- Yes – This is covered by CHAMPVA.
- Yes with conditions. To learn more, call the service center at 1-800-733-8387 – This is part of CHAMPVA, but there are restrictions. You are advised to contact the CHAMPVA service center for more details.
- No – This is not covered by CHAMPVA.
- Unknown Code. To learn more, call the service center at 1-800-733-8387.

NOTE: Results of any search using the CHAMPVA Pay App are current at the time of use only and do not constitute an authorization by VA to purchase any drug, medical treatment or piece of durable medical equipment. All reimbursement rates quoted by this app are subject to change.

The screenshot shows the CHAMPVA Pay Application interface. At the top, there is a dark blue header with the U.S. Department of Veterans Affairs logo and name. Below the header is a navigation bar with links for Home, Check Codes, Contact Us, About, Help, and Launchpad. The main content area has a green background and features a 'Checked Code' indicator with a checkmark. Below this is a 'Results' section with a table. The table has three columns: Type of Code, Code, and Participation Status. The first row shows 'DME Code' with code 'A4265' and a participation status of 'Yes with conditions. To learn more, call the service center at 1-800-733-8387 – This is part of CHAMPVA, but there are restrictions. You are advised to contact the CHAMPVA service center for more details.' Below the table is a warning message and a 'Check Codes' button.

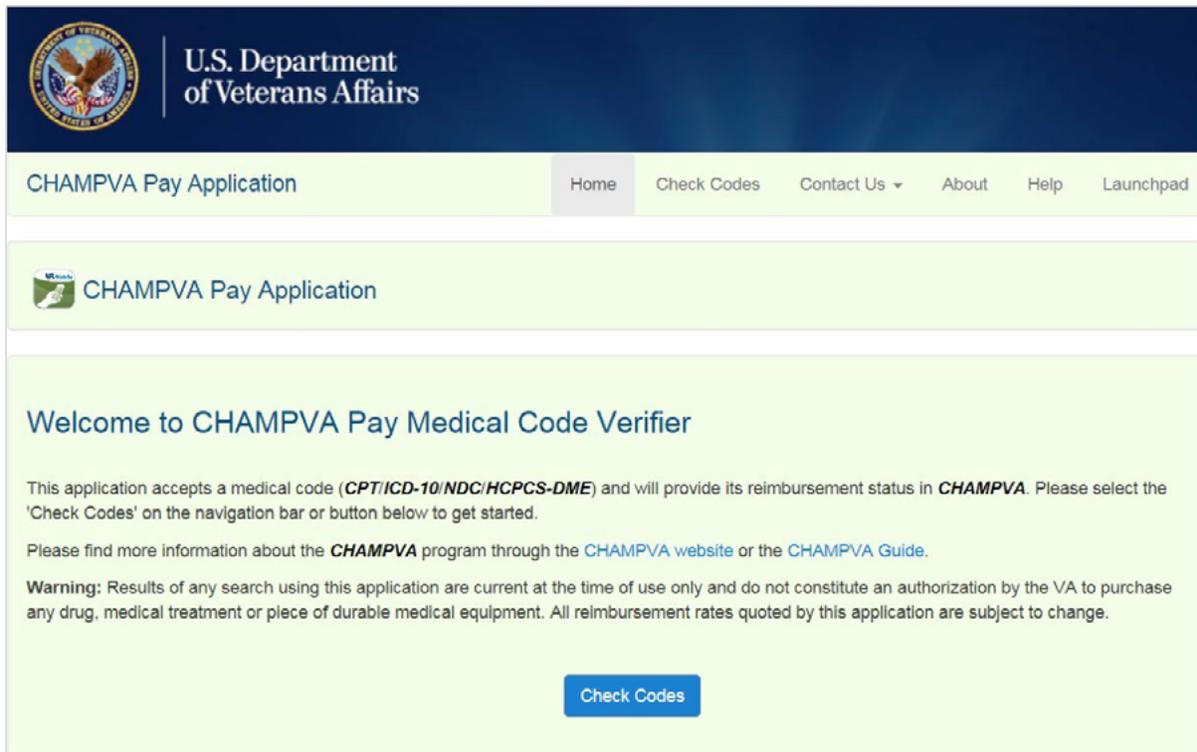

Type of Code	Code	Participation Status
DME Code	A4265	Yes with conditions. To learn more, call the service center at 1-800-733-8387 – This is part of CHAMPVA, but there are restrictions. You are advised to contact the CHAMPVA service center for more details.

Warning: Results of any search using this application are current at the time of use only and do not constitute an authorization by the VA to purchase any drug, medical treatment or piece of durable medical equipment. All reimbursement rates quoted by this application are subject to change.
