General Health Apps

No Credentials Required

After this session, you will know:

- More about VA Mobile Apps
- How VA apps are tested
- How to choose the apps that are right for you and your patients
- How to promote apps for use
- How to provide feedback to VA

- For Veterans

- Mobile Blue Button
- Summary of Care
- Annie* (text messaging)
- My VA Health Video*
- My VA Health*
- DOD-Vet Link
- REVAMP* (sleep apnea)
- Pain Coach
- GDx* (genetic testing)
- Secure Messaging
- Telederm Workflow
- GRECC* (geriatric research)
- Mobile Kidney*

- For Staff

- Mobile EDIS (emergency room)
- Patient Viewer with Virtual Video Connect*
- Immunization Campaign
- Skin Check
- Patient Education
- Nurse to Do
- Custom Data View*

* These apps have a Veteran side and a corresponding staff side.

VA MOBILE APPS HAVE BEEN THOROUGHLY TESTED

The screenshot displays the VA App Store website. At the top, the U.S. Department of Veterans Affairs logo is on the left, and social media icons and a search bar are on the right. A navigation menu includes links for Health, Benefits, Burials & Memorials, About VA, Resources, Media Room, Locations, and Contact Us. A left sidebar lists categories like VA Mobile Health, Developing VA Apps, VA App Store, Provider Program, and Field Tests. A green banner at the top of the app store section advises users to ensure their browser is up to date. Below this, tabs for 'All Apps', 'Veterans', and 'Health Care Professionals' are visible. The main content area features the 'VA App Store' logo and a welcome message. To the right, there are two featured app sections: 'APPS FOR Veterans' and 'APPS FOR Health Care Professionals'. At the bottom, there is a search bar and icons for mobile devices. The footer includes links for Benefits, Health, and Mental Health, along with icons for desktop, Apple, and Android.

VA MOBILE OUTREACH AND PUBLIC AWARENESS

- VHA Connected Care Communications Team develops proactive campaigns to promote VA Mobile Apps
 - 20 native and mobile-optimized web apps are currently available
 - 12+ native and mobile-optimized web apps are currently in development
- Promotional Materials and Training Resources exist for many of these apps
 - Outreach Toolkits (web banner, articles, blogs, fact sheets, social media, etc.):
<https://vaww.connectedhealth.va.gov/Communications/SitePages/VA%20Mobile%20Health.aspx>
 - Speaking Engagements (e.g., VSOs, health IT industry, etc.)
 - VA Mobile Discussion Series:
<https://mobile.va.gov/discussion-series>
 - Training Materials, Webinars, etc.

KEY AUDIENCES FOR VA MOBILE OUTREACH AND PUBLIC AWARENESS

- VA Field Staff including VA Care Teams, My HealthVet and Telehealth Coordinators, Public Affairs Officers
- VA/VHA Leaders
- Veteran Service Organizations (VSOs)
- Health IT Community
- Trade Media

We need VA Mobile ambassadors to try the apps, then share those apps and educate others about them!

More information:

vha10p8communications@va.gov

VA STAFF NEED TO HELP PROMOTE THESE APPS TO THEIR PATIENTS

VA WANTS **YOU!**

We need VA Staff, both clinical and non-clinical, to help us promote the use of these new apps.

VA STAFF SHOULD LEARN THE APPS – BOTH STAFF AND VETERAN VERSIONS

“How can we help?”

VA Clinicians

- Go to <https://mobile.va.gov/appstore>
- Review the information on each app.
- Determine which apps are best suited for your needs and try them out.

If you use VA for your own health care, you can try the Veteran-facing apps using your own DS Logon.

USING THE VA APP STORE

The screenshot shows the VA App Store website. At the top is the U.S. Department of Veterans Affairs logo and a search bar. A navigation menu includes links for Health, Benefits, Burials & Memorials, About VA, Resources, Media Room, Locations, and Contact Us. A sidebar on the left lists various app categories like VA Mobile, Developing VA Apps, and VA App Store. The main content area features a 'Featured Update!' banner, the 'VA App Store' logo, and a large section for the 'Mobile Blue Button' app. This section includes a download icon, a 'Launch VA App' button, and links to a User Manual, Quick Start Guide, and Test Script. Below this is a tabbed interface with 'Description' selected, showing a warning that the app is still in development and should not be used for health management. It also notes that apps with a lock icon require a DS Logon Level 2 (Premium) Account. A paragraph explains that the Mobile Blue Button App helps veterans manage their health care needs and communicate with their care teams by accessing, printing, downloading, and storing information from their VA Electronic Health Record (EHR). A link is provided for instructions on saving the app icon to the home screen. The sidebar also contains links to 'Connected Care', 'My healthvet', 'Veterans Crisis Line', and 'Connect Your Docs'.

THE FAQs OF USING VA MOBILE APPS

“Can you use an app on a computer?”

“Can you use an app on an iPad?”

THE FAQs OF USING VA MOBILE APPS

“Can you use an app on a computer?”

Yes! You can test on computers as well as tablets and mobile devices.

“Can you use an app on an iPad?”

THE FAQs OF USING VA MOBILE APPS

“Can you use an app on a computer?”

Yes! You can test on computers as well as tablets and mobile devices.

“Can you use an app on an iPad?”

Yes, you can use your GFE iPad! (You must meet PIV exemption requirements to use staff-facing apps.)

THE FAQs OF USING PROVIDER APPS

“Are there additional requirements for VA Clinical Staff using staff apps that access PHI and PII?”

THE FAQs OF USING PROVIDER APPS

“Are there additional requirements for VA Clinical Staff using staff apps that access PHI and PII?”

You'll need VistA Secondary Menu Options:
OR CPRS GUI CHART and DVBA CAPRI GUI.

- Have your VistA administrator verify your site's VistA configuration, as these options may need to be unlocked with a key.
- If your menu options are changed, restart your VistA and CPRS sessions before accessing the app.

THE FAQS OF USING VETERAN APPS

“Are there additional requirements for VA Clinical Staff using **Veteran apps that access PHI and PII?”**

THE FAQs OF USING VETERAN APPS

“Are there additional requirements for VA Clinical Staff using **Veteran apps that access PHI and PII?”**

If you use VA for your own health care, you can use Veteran apps. You'll need a DS Logon Level 2 (Premium) Account to access your own information while testing the app.

“Am I eligible?”

Yes! You are eligible for a DS Logon Account of either level if you're enrolled in the Defense Enrollment Eligibility Reporting System (DEERS).

If you are not enrolled in DEERS, call 1-800-983-0937, Option 2.

HOW TO USE MOBILE BLUE BUTTON

End User License Agreement

Effective 1/14/2013

By agreeing to access VA's mobile application ("Application") on your device and by subsequent use of the Licensed Software, you agree to comply with the terms of this general End User License Agreement ("EULA") and Notice of Privacy Practices ("Notice"). If you do not agree to the terms of this EULA and Notice, do not access or use the Licensed Software from your device. This EULA and Notice applies to any upgrades and supplements to the original Licensed Software provided and is referred to on your opening screen. A copy of the EULA is available from within the Licensed Software. It is your responsibility to review any future changes to the EULA and to refrain from using the software if you do not agree to the terms.

1. The Licensed Software is owned by VA. The Licensed Software is licensed, not sold, only on the terms of this EULA. Acceptance and use of the software indicates your acceptance of the terms and conditions of this EULA.
2. Upon accessing the Licensed Software, you will acquire the right to use the Licensed Software, directly from VA. You assume responsibility for the selection of the program to achieve your intended results, and for the access, use and results obtained from the Licensed Software.
3. VA and you acknowledge that this Agreement is concluded between VA and you only, and not with your hardware manufacturer, operating system vendor, or organization that provided the mechanism to access the software. VA is solely responsible for the Licensed Software and its content.
4. In consideration of your acceptance of the terms and conditions contained in this EULA, VA grants you a non-exclusive license to use the Licensed Software and the associated documentation for your own needs on one device. You are not licensed to rent, lease, transfer, or distribute the Licensed Software.
5. Title to the Licensed Software, including media and documentation, remain with VA. You may not copy or reproduce, except as supported by the Licensed Software, in whole or in part, or as is necessary for back-up or archival purposes. You may not reverse

- Mobile Blue Button is for facilitating patient access to their health information.
- Patients are responsible for their own health, and must contact their health care team if having a medical issue. In an emergency, they should call 911.
- Use of Mobile Blue Button is voluntary.
- All data VA collects is subject to federal law.

VA Mobile

<https://mobile.va.gov/dslogon>

The screenshot shows the VA Mobile Health website. On the left is a navigation menu with options: VA Mobile Health, Developing VA Apps, VA App Store (selected), All Apps, Apps for Veterans, Apps for Health Care Professionals, Categories, Platform, Test Our Apps, Provider Program, and Field Tests. Below the menu is a 'VA App Store' badge with the text 'Your Life Your Health Your Schedule' and a 'Get the apps!' button. The main content area is titled 'Get a DS Logon Level 2 (Premium) Account' and features a large image of a smiling couple next to a blue circular icon containing a white padlock with a keyhole and the letters 'DS'. Below the image, text explains that DS Logon is a secure ID for logging into VA and DoD websites and apps with a single username and password, distinguishing between Level 1 (Basic) and Level 2 (Premium) accounts.

Summary of Care App

ABOUT SUMMARY OF CARE

<https://mobile.va.gov/appstore>

The screenshot displays the VA App Store homepage. At the top, the U.S. Department of Veterans Affairs logo is on the left, and a search bar and 'site map [a-z]' link are on the right. A navigation bar below the header includes links for Health, Benefits, Burials & Memorials, About VA, Resources, Media Room, Locations, and Contact Us. A left sidebar lists categories like VA Mobile Health, Developing VA Apps, VA App Store, All Apps, Apps for Veterans, Apps for Health Care Professionals, Categories, Platform, Test Our Apps, Provider Program, and Field Tests. A green banner below the navigation bar contains a warning: 'Please make sure your device's browser is up to date to make sure the app works correctly. Learn more.' Below this, tabs for 'All Apps', 'Veterans', and 'Health Care Professionals' are visible. The main content area features the 'VA App Store' logo and a welcome message. To the right, there are two featured app sections: 'APPS FOR Veterans' and 'APPS FOR Health Care Professionals'. A search bar labeled 'Search Terms ...' is positioned above a grid of app tiles. The 'Summary of Care' app tile, which has an orange icon with a heart and a pulse line, is highlighted with a red border. Other app tiles include 'Stay Quit Coach', 'VA Launchpad for Care Teams', 'VA Launchpad for Veterans', 'VA Pressure Ulcer Resource', and 'Veteran Appointment Request'. On the far left, there are four promotional banners for 'VA App Store', 'CONNECTED CARE', 'My healthvet', and 'Veterans Crisis Line'.

HOW TO USE THE SUMMARY OF CARE APP

 End User License Agreement

Effective 1/14/2013

By agreeing to access VA's mobile application ("Application") on your device and by subsequent use of the Licensed Software, you agree to comply with the terms of this general End User License Agreement ("EULA") and Notice of Privacy Practices ("Notice"). If you do not agree to the terms of this EULA and Notice, do not access or use the Licensed Software from your device. This EULA and Notice applies to any upgrades and supplements to the original Licensed Software provided and is referred to on your opening screen. A copy of the EULA is available from within the Licensed Software. It is your responsibility to review any future changes to the EULA and to refrain from using the software if you do not agree to the terms.

1. The Licensed Software is owned by VA. The Licensed Software is licensed, not sold, only on the terms of this EULA. Acceptance and use of the software indicates your acceptance of the terms and conditions of this EULA.
2. Upon accessing the Licensed Software, you will acquire the right to use the Licensed Software, directly from VA. You assume responsibility for the selection of the program to achieve your intended results, and for the access, use and results obtained from the Licensed Software.
3. VA and you acknowledge that this Agreement is concluded between VA and you only, and not with your hardware manufacturer, operating system vendor, or organization that provided the mechanism to access the software. VA is solely responsible for the Licensed Software and its content.
4. In consideration of your acceptance of the terms and conditions contained in this EULA, VA grants you a non-exclusive license to use the Licensed Software and the associated documentation for your own needs on one device. You are not licensed to rent, lease, transfer, or distribute the Licensed Software.
5. Title to the Licensed Software, including media and documentation, remain with VA. You may not copy or reproduce, except as supported by the Licensed Software, in whole or in part, or as is necessary for back-up or archival purposes. You may not reverse

- Summary of Care is for facilitating patient access to their health information.
- Patients are responsible for their own health, and must contact their health care team if having a medical issue. In an emergency, they should call 911.
- Use of Summary of Care is voluntary.
- All data VA collects is subject to federal law.

HOW TO USE THE SUMMARY OF CARE APP

The screenshot displays the 'Summary of Care App' interface. On the left is a sidebar with a 'MENU' icon at the top. Below it are tabs for 'Table' and 'Graph'. The sidebar contains a list of time ranges: '1 Month', '6 Months', '1 Year' (which is selected and highlighted in blue), '2 Years', and 'Add Custom Range'. The main content area is titled 'Table of Lab Results'. It features three summary cards for lab results. The first card is for 'LAB RESULTS' showing a count of 11. The second card is for 'TESTOSTERONE' with a result of 70, dated 11/25/2013. The third card is for 'PROSTATIC SPECIFIC ANTIGEN' with a result of 9000, dated 10/08/2013. The fourth card is for 'TESTOSTERONE' with a result of 5000, dated 10/08/2013. Each result card includes a 'Result (Abnormal)' field with the value in a red box, a 'Reference Range' field, and a 'Status' field set to 'Final'.
