New VA Apps Are Now Available!

The Preconception Care and Caring4Women Veterans apps are now available for download at the VA App Store! These apps provide important guidance for VA and non-VA care team members in caring for and counseling women Veterans.

Preconception Care

Caring4Women Veterans

- **Preconception Care** provides actionable information to integrate preconception care into primary care visits. Additional training materials and resources can be found on the Preconception Care App of the [VA Mobile App Store page](#).
- **Caring4Women Veterans** is designed to increase care team members' awareness of, and access to, current information about the unique physical and mental health needs of women Veterans. Additional training materials and resources can be found on the Caring4Women Veterans App of the [VA Mobile App Store page](#).

Please forward this email to your VA and non-VA care team members that might benefit from these apps as well.
