VA Mobile Discussion Series

July 26, 2018

OVERVIEW OF PRESENTATION

- What is Exposure Ed?
- Technical walkthrough
- Learn more
- Questions

WHAT IS EXPOSURE ED?

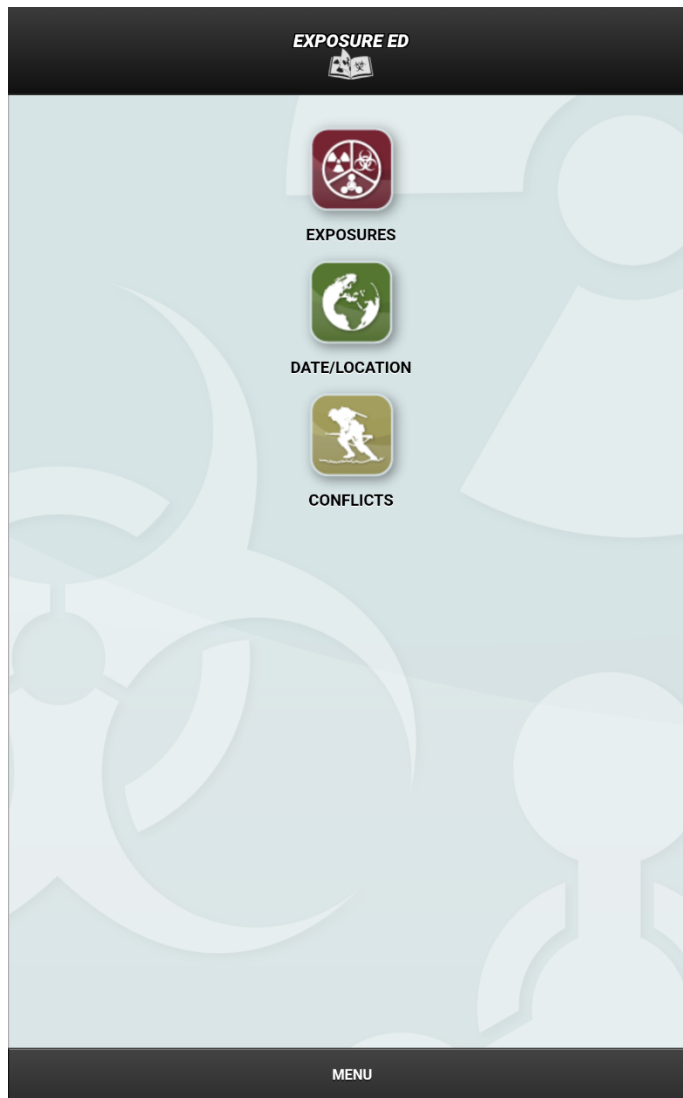

Exposure Ed provides comprehensive information about exposures and serves as a guide for discussing exposure-related concerns with Veterans.

- The app is available for VA and non-VA providers.
- It is accessible on iOS and Android devices.

HOME SCREEN

Access the app's main features from the Home screen:

- **Exposures** – Search for or choose from a list of exposures that Veterans may have encountered.
- **Date/Location** – A search feature that allows you to narrow exposure possibilities by date and location.
- **Conflicts** – A list of conflicts and the exposures most common to each conflict.

SEARCH BY EXPOSURES

The screenshot shows the 'EXPOSURE ED' app interface. At the top is a black header with the text 'EXPOSURE ED' and a small icon of an open book. Below the header is a light blue section titled 'EXPOSURES'. Under this title is the text 'ENTER TEXT TO FILTER LIST:' followed by a search input field with a magnifying glass icon. Below the search field is a list of exposure categories, each in a white box with a right-pointing arrow: AGENT ORANGE, ASBESTOS, BURN PITS, CARC PAINT, CHROMIUM, CONTAMINATED WATER, DEPLETED URANIUM, EXTREME COLD, EXTREME HEAT, FUELS, and INDUSTRIAL SOLVENTS. At the bottom of the app is a black navigation bar with two buttons: 'BACK' and 'MENU'.

Exposure Category
AGENT ORANGE
ASBESTOS
BURN PITS
CARC PAINT
CHROMIUM
CONTAMINATED WATER
DEPLETED URANIUM
EXTREME COLD
EXTREME HEAT
FUELS
INDUSTRIAL SOLVENTS

View information on a specific exposure:

- Tap **Exposures** on the Home screen
- You can search for an exposure by scrolling down the list and tapping the exposure you would like to learn more about or by typing the exposure name in the search field.
- Tap the category of information you would like to view.

INFORMATION ON EXPOSURES

EXPOSURE ED

AGENT ORANGE

 **Description**

One of several blends of tactical herbicides [equal amounts of 2,4-dichlorophenoxyacetic acid (2,4-D) and 2,4,5-trichlorophenoxyacetic acid (2,4,5-T), which contained traces of 2,3,7,8-tetrachlorodibenzo-p-dioxin (TCDD)] the U.S. military sprayed to remove trees and dense tropical foliage that provided enemy cover.

Add to Note

 **Who May Have Been Exposed?**

 **Health Implications to Consider**

 **VA Policies and Programs**

 **Other Useful Resources**

View and save information about exposures:

SEARCH BY DATE/LOCATION

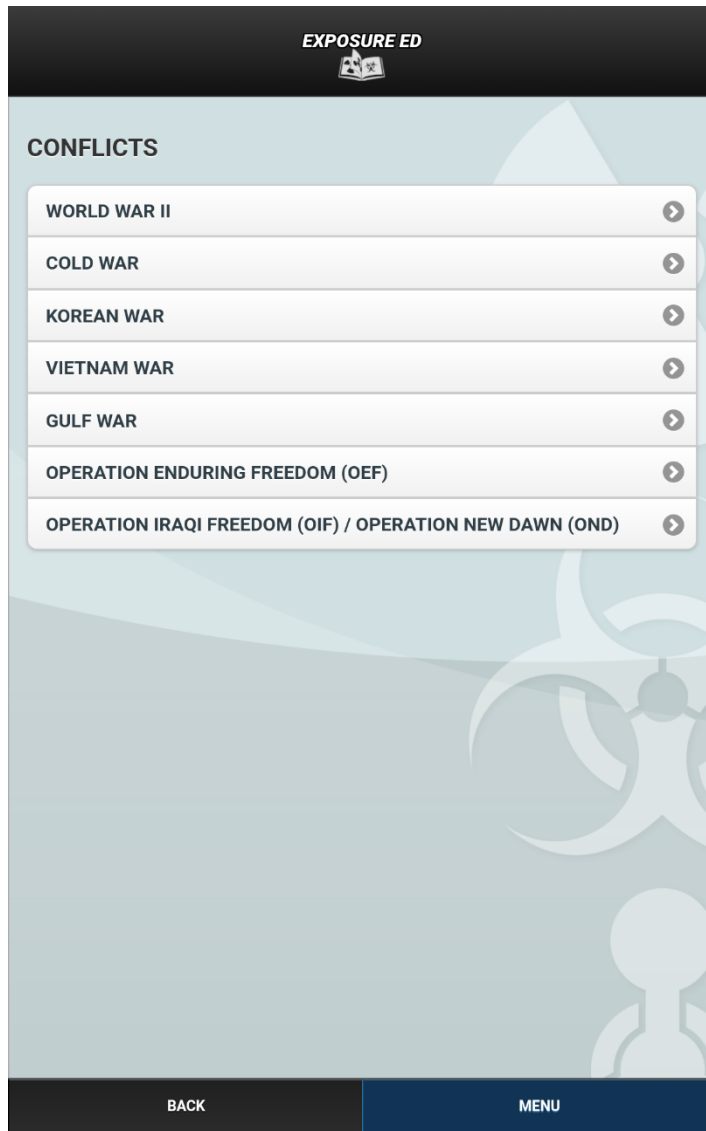

The screenshot shows the 'EXPOSURE ED' app interface. At the top is a black header with the text 'EXPOSURE ED' and a small icon of an open book. Below the header, the title 'DATE/LOCATION' is displayed in bold. The main section contains a search form with the following elements: a text input field with the placeholder 'ENTER YEAR OR YEAR RANGE (Required)' and examples 'Examples: 1990, or < 1990, or > 1990, or 1990 - 1991, etc.'; a dropdown menu labeled 'CHOOSE LOCATION... (REQUIRED)' with 'North America -- USA' selected; and a large blue 'SEARCH' button at the bottom.

Filter by date and location:

- Tap **Date/Location** on the Home screen.
- Enter the date or date range into the Enter Year or Year Range field.
- Tap the circle next to the location you would like to search.
- Tap **Search**.
- Two categories will appear - an Exposures list and VA Policies & Programs.

SEARCH BY CONFLICT

Some exposures are commonly associated with certain conflicts. To see what exposures might be related to a Veteran's service:

- Tap **Conflicts** on the Home screen.
- Tap the specific conflict to learn more.
- View an exposures list and VA Policies & Programs.

NOTES

EXPOSURE ED

FINISHED NOTE

1/11/2018, 12:34:59 PM

POLICY > HEALTHCARE - BASIC ELIGIBILITY

BACK

PRINT PREVIEW

PRINT

EMAIL

DELETE

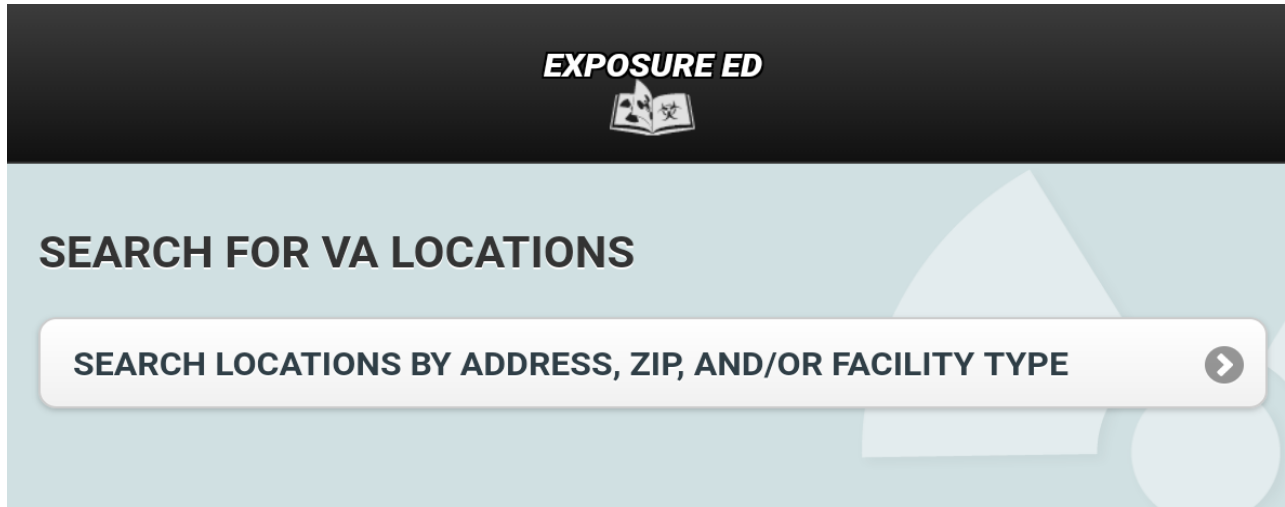

BACK MENU

Add exposure information to notes to share with patients:

- To view notes, tap **Menu** at the bottom of your screen, and tap **Notes**.
- View finished and unfinished notes.
- View a print preview or print/email finished notes.

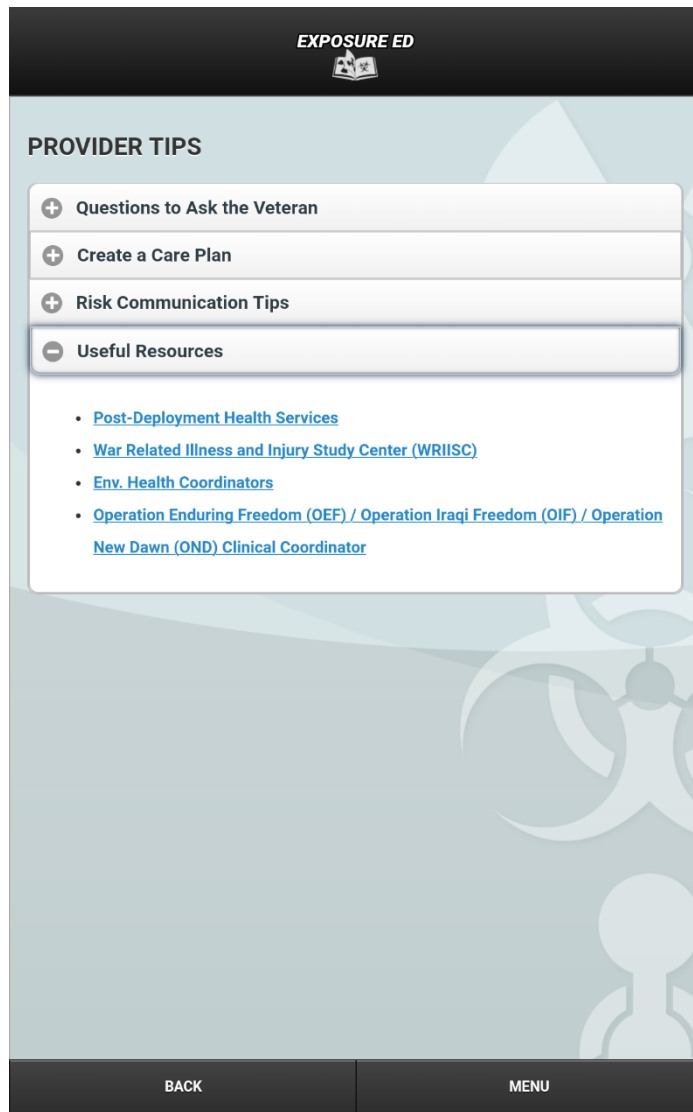

VA LOCATOR

- Find local VA facilities
- Tap Menu, and then tap VA Locator
- Tap Search locations by address, zip, and/or facility type
- Search for a facility from the VA locator website

PROVIDER TIPS

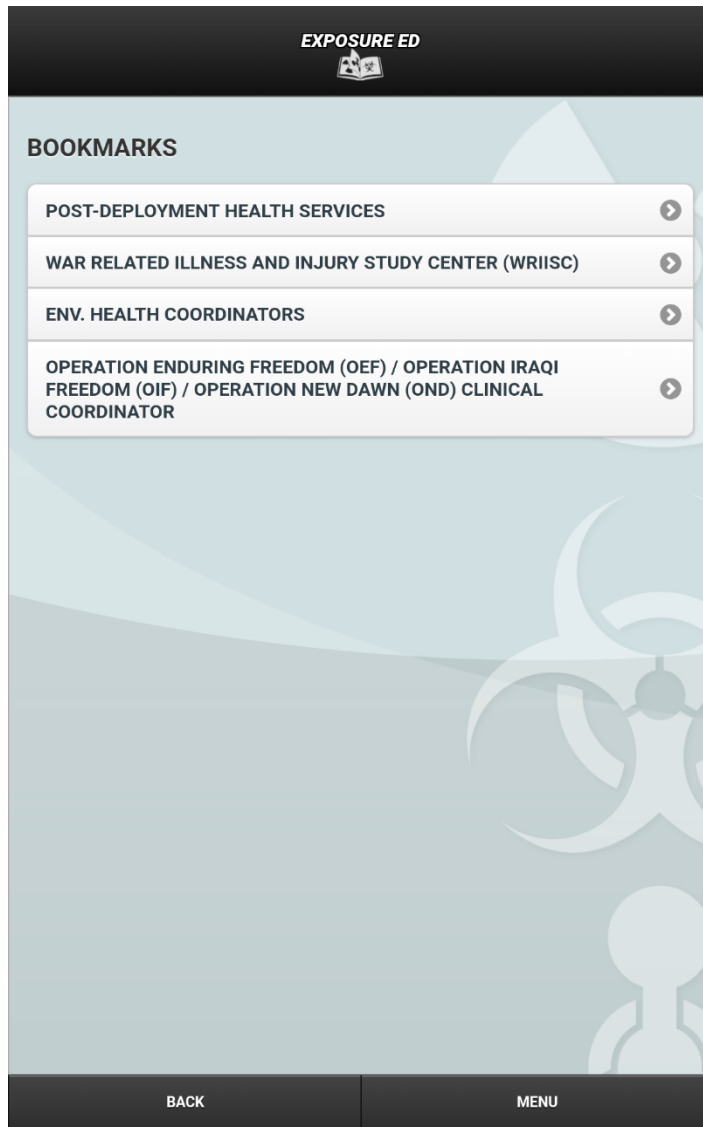

View tips and additional resources:

- Tap **Menu**, and tap **Provider Tips**.
- Tap the tip you would like to view:
 - Questions to Ask the Veteran
 - Create a Care Plan
 - Risk Communication Tips
 - Useful Resources

BOOKMARKS

Bookmarks to helpful resources:

- Learn more about environmental exposures and programs for Veterans.
- Tap **Menu**, and tap **Bookmarks** from the slide-out menu.
- Tap the resource.
- The website will open in a web browser.
