Tasks to do

VETERANS HEALTH ADMINISTRATION

**When tasks
are due**

**Complete tasks; chart
them on the spot**

Document the exam – no problem – I will use my flow sheet

Check that PPD in 72 hours – no problem – I have my Shift Companion

Create unique one time tasks

Document assessments and care using flow sheets

Perform repeated tasks, instructions available and documentation – all in one place

Field Testing Plan

- Field Test scheduled for September 2016 to occur at three sites
- Nurses will complete a cognitive walk through session with Human Factors, provide diary feedback and a time motion study focusing on work flow will be done with a subset of the testers
