

Subscribe to Annie Text Messages to Support Your COVID-19 Vaccine Experience

It's your turn to get the COVID-19 vaccination - congratulations! Annie can support you during the process, if you'd like. Annie is VA's automated text message system that sends health information and reminders. Any mobile phone with texting capabilities can receive Annie messages.

Annie's **COVID-19 Vaccination Support Protocol** messages provide you with helpful information about the vaccine and possible side-effects, as well as reminders to get your second vaccine injection.

How To Set Up Annie

VA staff may be able to help you get started today, or you can follow these steps on your own. If you already receive Annie messages for other protocols, skip to Step 6.

Step 1: Go to the website.
veteran.mobile.va.gov/annie-vet

Step 2: Log in.
Log in using your My Health eVet Premium, DS Logon Level 2, or ID.me account. Find out how to get a secure login account at mobile.va.gov/login-information.

Step 3: Consent to participate.
Read the consent information. Scroll to the end and select the consent box.

Step 4: Set up your Annie account.
Complete the fields under the **Information Messages, Preferences, and Patient Info** tabs. Select **Submit**, which will take you to a screen saying your registration was a success.

Step 5: Confirm participation.
You will receive a message from Annie asking you to confirm your participation. Reply to the message with the word **Start**.

Step 6: Subscribe.
To subscribe to the COVID-19 Vaccination Support Protocol, text **Annie (75338)** the words **SUB COVAC**.

Taking charge of your health — one text at a time.
